Kick Up the North

WHERE INDIVIDUALS MEET FULFILMENT

Are you over 16?
Unemployed or in need of a career change?
Interested in a football or media related career?

Come along to our FREE workshop on the 30th of July from 2.30pm – 5pm at the National Football Museum, Urbis Building, Manchester to help you realise your full potential and achieve your dream career.

We want to work with you to get you work placements, training or job interviews to enable you to start on the path to your goal. We can't guarantee a job at the end of the programme but we're establishing relationships with Companies who could open doors of opportunity for you.

Workshop speakers will be: Steve Waters of EnGage Coaching and Mentoring, Ken Bennett - editor and former publisher of the award-winning Saddleworth Independent with a vast experience of journalism and media work, Michael Turner of Turner Photography, who also runs photography training programmes, Jim Petruzzi of NLP Centre of Excellence, Denise Lambert the National Football Museum's Learning and Communities Officer, Mark Hayward of Sway Communications and a speaker on Employability from the Awaaz Learning Centre.
